One Especially Interesting Thing About My Tree Is:

In the box above, make a leaf or bark rubbing of your tree.

Adopt a Tree Activities

Make a sketch of your tree. Draw the shape of its trunk, branches, and canopy (treetop).

Lie down underneath your tree and look up. Draw what you see.

Look at the leaves of your tree. Sketch one.

Where is your tree? Draw a map to show its location.

Adopt a Tree Activities

My tree looks like

My tree feels like

My tree smells like

Write 10 words that describe your tree.

Adopt a Tree Activities

Investigate the health of your tree. Is it alive? How can you tell? Is it healthy? How do you know. In what ways are people helping or hurting it?

Are any animals on or near your tree? Don't forget to look for insects, spiders, and other tiny creatures. Remember to look up to look for squirrels and birds.

Are there any signs that animals have used your tree in the past? Look for holes, nests, trails and other animal signs and describe what you see.
